Spray down portability for sanitary applications

Clean up your facility the quick, easy and efficient way with Graco Hydra-Clean pressure washers. Designed with Graco's NXT air motor, it's ideal for industrial and sanitary applications including food processing facilities, heavy duty cleaning, maintenance, shipyards, oil rigs and more.

- Efficient cleaning with water, detergent or chemical solutions
- Supports multiple guns
- Designed to use with cold or hot water up to 200°F (93°C)
- Use with open-head universal drums
- Fits most pressure, flow and material requirements
- 100psi, 30 : 1 ratio
- For high pressure cleaning and sanitation
